

Board of Directors Duties and Responsibilities
Latinos Working for the Future

About:

Latinos Working for the Future was founded in 1991 to bridge the gap of the Muskegon, Latino community and local businesses and resources through education. Latinos Working for the Future provides education to the community, through talleres, college tours, the Muskegon County Latino Festival, fundraising events, cultural events and other forums.

Purpose:

We believe that everyone has a place at the table to connect local resources to the Latino Community of Muskegon County. The Latinos Working for the Future Board will ensure they are the bridge to local resources and the Latino community, along with executing the goals decided by the board.
